- ### EXPLANATIONS
- VAT (20%) is not included on our charges. The Billing is included with 20% VAT.
 - Unloading and loading of cargos with baggage status (baggage with the status of passenger accompaniment) from the vehicle is the responsibility of the sender. If MNG is requested to unload the cargo from the vehicle, a porter fee will be charged.
 - The invoice is issued to the exporter (sender) company in the custom declaration form according to the Laws of the Revenue Administration (17/4-o VAT law); If the invoice is requested to be issued to the carrier or a different company, the letter of consent received from the sending company (exporter) must be stated to MNG before the invoice is issued.
 - In warehouse calculations, volume kg (chargeable weight) is taken as basis for cargoes with low gross kg and large volume kg.
 - Non-stackable cargos shall be charged double for their kilogram and volume.
 - In the case of that the results of weight and dimensions of cargo are rejected by customer, the second weight and dimension check is done on a charge base. (Warehouse Weighing Fee charges).
 - Labeling and weighing charge is applied for shipments for which labels are printed but not offloaded. If shipments are offloaded, Portage charge is also applied.
 - Labeling and marking are the responsibility of the forwarders, and the labels to be provided by MNG upon incomplete labeling(missing labels) or re-request are subject to customs administration permission and will be charged.
 - Special cargo (DGR-PER-AVI-PIL etc.) is charged according to the flight day (Calendar day).
 - Forklift, portage and security charges are not included in the cargo acceptance charges. A cargo acceptance charge tariff is applied to the shipments within the scope of the baby custom declaration.
 - The validity of the custom inspection and custom sample invoices is the day on the date they are issued, and when the service is requested on a different day, another invoice will be issued again.
 - It is charged for each HAWB, if more than one airway bill is consolidated with single custom declaration form on export cargo.
 - For ETGB shipments and courier shipments, a fee shall be charged as many as number of custom declaration linked to single MAWB and Porter charge shall be calculated as double for these shipments.
 - If transactions will be made outside of the customs working hours, overtime working hours must be taken and information must be given to the address (on.kayit@mngairlines.com, kargo.ihracat@mngairlines.com) for personnel planning.
 - Extra storage charge is applied after third day of cargo following acceptance day in warehouse.
 - In special cases, a fee may be charged for security services (K-9, ETD, etc) (SGHA JAN 2008/Sec.7).
 - K-9 security service is obligatory for cargoes that do not fit in X-Ray, and the resulting fee is added to the invoice of the relevant cargo.
 - If the shipments is not proper condition for flight (within IATA rules) according to the carrier rules, the shipments shall not be accepted. All process to correct shipment for flight worthiness are subject to a handling fee.(Handling fee does not include the Materials cost used)
 - If any cargo within the scope of ETGB has special cargo status, 30 USD per HAWB is applied, and for shipments within the scope of ETGB, 5 USD per HAWB is added in addition to the storage fees
 - Extra portage fee is applied to shipments whose transactions(Labeling-OGR Documentation, etc.) are not completed within maximum 30 minutes in the cargo acceptance area (Labeling, DG Documents, etc).
 - 210 USD+0.16"kg"day tariff is applied for Transit(TR), GDY Transfer(TK), Transfer to Warehouse(AN) transactions.
 - It is the responsibility of the shipper or its forwarder to use wooden materials in the shipment comply with ISPM 15 standards. MNG Airlines is not responsible for any penalties, damages or sanctions arising from non-compliance with this situation.
 - Additional Security Service charges for escorting Valuables shipment shall be charged as an additional fee (90 Euro+VAT) per shipment.
 - For diplomatic shipments, depending on the content of the cargo, K-9 (opaque) or ETD, if there is no forklift, a portage fee is charged. (It does not apply to diplomatic mail, but it is valid for consular shipments)
 - Expenses that may occur for shipments that are subject to liquidation or destruction for any reason belong to the customer.
 - For Horse shipments, in addition to the storage fees, 1 hour of Additional Personnel Charge is charged during working hours, and out of working hours (after 18:00) an Additional Personnel Charge is charged for the hours worked.
