EXPLANATIONS
<p>* Our tariff is valid only for the customers of the airlines served, VAT (20%) is not included in our prices, our invoices are prepared with VAT (20%) included.</p> <p>* The invoice is issued to the exporter (shipper) company in the declaration, and if you have an invoice request to the forwarder or a different company, the consent letter from the sending company must be indicated before issuing the invoice.</p> <p>* The costs that may arise for the cargoes that are left for liquidation or destruction for any reason belong to the customer.</p> <p>* In non-stackable cargoes, gross kg or volume kg is calculated as twice.</p> <p>* In storehouse calculations, volume kg (chargeable weight) is taken as a basis for cargoes with low gross kilograms and large volumes.</p> <p>* Label and weighing fee is charged for cargo whose label has been taken but not unloaded to the warehouse. If the cargo is unloaded, the porter fee is added.</p> <p>* Labeling and marking are the responsibility of the forwarders, and the labels to be supplied by us with missing labeling or re-ordering are chargeable.</p> <p>* For special cargoes (DGR-PER-AVI-CAR etc.) it is charged according to the flight day.</p> <p>* Forklift, portage and security fees are not included in the cargo acceptance charges. A cargo acceptance charge tariff is applied to the shipments within the scope of the baby custom declaration.</p> <p>* For the cargo which exceeds forklift capacities to lift, crane or lifter must be arranged by customer or if MNG arranges lifter, service fee shall be paid by customer.</p> <p>* It is charged for each AWB if more than one airway bill is consolidated with single declaration form on export cargo.</p> <p>* Custom Check and Sample Charge payment is valid only for the day on the service charging invoice. Another invoice is released if the service is required on another day.</p> <p>* If shipments are not in proper condition according to the carrier and IATA standards, the shipment may not be accepted. If it is accepted, every process to correct them is charged according to handling charge tariff above.</p> <p>* For opaque shipments and big shipments not fitting in X-Ray, K-9 security service shall be charged to shipper or its agent.</p> <p>* For cargo that cannot be shipped on the same day, an extra storage fee is applied for the period of time the cargo stays in the warehouse, based on the day of arrival.</p> <p>* It is the responsibility of shipper or its forwarder to use wooden materials which corresponds to ISPM15 standards. MNG Airlines is not responsible against any fine, loss or sanction due to errors of this requirement.</p> <p>* In order to complete the Cargo Delivery process, all documents must be completed and delivered by 15:00 on weekdays, otherwise the specified overtime fees will be applied.</p> <p>* The loads in question will arrive in Istanbul the day after the cargo is delivered, Istanbul overtime fees will be applied when the arrival time is on weekends and public holidays.</p>
